

Emergent BioSolutions to Present at the Cowen and Company 28th Annual Health Care Conference on March 18, 2008

March 10, 2008

ROCKVILLE, Md., Mar 10, 2008 (BUSINESS WIRE) -- Emergent BioSolutions Inc. (NYSE:EBS) announced today that the company will be presenting at the Cowen and Company 28th Annual Health Care Conference on Tuesday, March 18, 2008 at 11:00 AM Eastern at The Boston Marriott Copley Place. A member of the company's senior management team will provide a corporate overview, including a discussion of product development programs, recent corporate activities and financial performance.

A webcast of this presentation will be available both live and by replay. To access either the live or archived webcast, please proceed to www.emergentbiosolutions.com, and click on the "Investors" link the day of the presentation.

An archived replay of the webcast will be available 24 hours after the live presentation.

About Emergent BioSolutions Inc.

Emergent BioSolutions Inc. is a profitable, multinational biopharmaceutical company dedicated to one simple mission--to protect life. We develop, manufacture and commercialize immunobiotics, consisting of vaccines and therapeutics that assist the body's immune system to prevent or treat disease. Our products target infectious diseases and other medical conditions that have resulted in significant unmet or underserved public health needs. Our marketed product, BioThrax(R) (Anthrax Vaccine Adsorbed), is the only vaccine approved by the U.S. Food and Drug Administration for the prevention of anthrax infection. More information on the company is available at www.emergentbiosolutions.com.
